Year End Report (12/28/02 -- 12/31/02)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. An itemization of the information needed follows:**

-Your committee filed two "new" Year End reports. One report (12/4/02 -- 12/31/02) appears to report only information for the 2008 election cycle; while the other report (12/28/02 -- 12/31/02) appears to report only information for the 2002 election cycle.

If it your intention to create a new committee for the 2008 cycle, you must file a Statement of Organization (Form 1) for the new committee. If you wish to continue to use the current committee for the 2008 cycle, you need to combine the entries on both of these reports into one Year End report. The Form 1, Statement of Organization, is available for download from our web site at <http://www.fec.gov>. Please notify the Commission of your intention by either filing a new Statement of Organization or amended Year End Report.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure**
